

Empowering Over 60% of the Indian Drone Market with

BHARAT KA GCS

AeroGCS

AeroGCS GREEN

Enhancing lives with precision agriculture spraying solutions

Streamlined spraying workflows

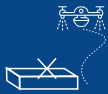

Real-time spraying flow monitoring

Pinpoint precision in field plotting

Detailed field reports at your fingertips

Avoid unwanted areas with obstacle detection

AeroGCS Enterprise

Boosting productivity through enhanced operational efficiency

Efficient team and access management

Comprehensive business analytics

Live tracking of drone fleet

In-depth UAV performance analytics

Seamless auto cloud synchronization

Scalable pay-as-you-grow model

AeroGCS Defence

Secure the boundaries with advanced features

Real-time live video feeds

Integration of TIFF maps

Advanced object tracking and detection capabilities

Comprehensive data logging and analysis

Advanced data security

Support for offline maps and vector maps

AeroGCS Orange

Enhanced survey and surveillance

Robust project management features

Data quality check

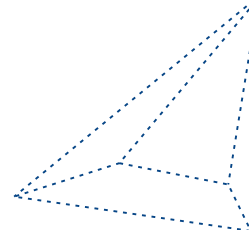

Accurate GSD calculations

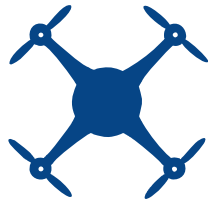

Cross-grid functionality

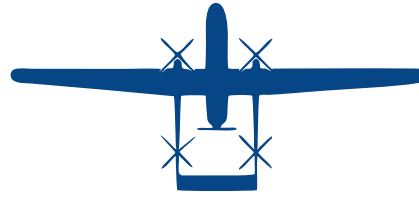

Patented survey algorithms

Drone Types Supported by AeroGCS

Multi-rotor

VTOL
(Vertical Take-off and Landing)

Trusted by brands

AeroGCS | DroneNaksha | PicStork

Passenger Drone Research Private Limited

Vitthal, Madhu-Vijay Colony, College Road, Nashik, Maharashtra, 422005
